

## Quality and Environmental Policy

Our focus on Customer satisfaction drive us to provide versatile solutions through the continuous improvement in our Quality Management System and Environmental performance, keeping the compliance of the legal and organizational standards as well as interested parties within the context of the organization considering the possible environmental impacts based on the following objectives and goals:

- Quality in all our products and processes.
- On time deliveries for Customer satisfaction.
- Satisfaction and Safety for all our employees.
- Compliance to all the requirements from Customer, Legal and Regulatory and interested parties.
- Financial health for the business for the benefit of all involved parties.
- Protection to environment to avoid contamination through the use of sustainable resources.
